

CHECK LIST:

- **What is my Budget? (In the case of making other cabinets such as vanities for bathrooms or entertainment center, make list of separate budget for each.)**

- **Should the cabinets be more for looks, usage or both?**

- **Do you want stained or painted cabinets? (At the same time think about what counter top and door pulls will you use to go with your stain or paint color.)**

- **Frame (Traditional) or Frameless (Euro style)**

- **Do you want to add Glaze?**

- **What type of wood Species for stain?**

- **What material for paint, MDF or Wood?**

- **Do you want Melamine inside and what finish?**

--	--

- **Where do you want adjustable and where fixed shelves?**

- **Upper Cabinets all the way to ceiling or dropped?**

- **What door and panel styles? (Check out Gallery for Door styles)**

- **Copy of specs for all appliances.**
